I can recall quite clearly Mr McDougall's statement to me of the result of his interview with you. He certainly had it clearly in his mind at the time that you had given him your direct promise to grant to the estate of Thomas McKenzie a patent for this half section, and his whole action was in keeping with that view. He may have mistaken the purport of your statement to him but under the circumstances I would strongly urge you to grant patent to him as administrator of the estate of Thomas McKenzie.

I have the letter of the Secretary of your Department dated 19th of June herein, returning copy of Letters of Administration of the Estate of Thomas McKenzie and stating that Mr McKenzie had no claim to the North half of Section 4-[illegible]-5-W-5th. In reply I think say that this letter comes as a great surprise, As I have been informed Thomas McKenzie, in his life time, squatted upon a portion of land which was afterward applied for for leasehold purposes by the Mount Royal Ranch Co. Mr McKenzie refused to give up this land and Mr Pierce, who was then (1880-1) Dominion Lands Agent, here, negotiated with him and as a result of these negotiations it was agreed by Mr. Pierce, on behalf of the Government, that if Thomas McKenzie would vacate the land he had settled upon and relinquish all his rights thereto he would receive, in lieu thereof, the nor

Hon. Frank Oliver,
Minister of Interior,
Ottawa, Ont.

Dear Sir:

Re File 1191884
Re David McDougall and Estate of Thomas McKenzie.

Sir I wrote you last I have seen Mr. Mc Dougall and found that my former letter was inaccurate in twp particulars.

Mr. McDougall had sold his land in 4-33-5-W-5th on the North side of the Red Deer River before he saw you in Ottawa last year, and he was promised only one quarter section as a homestead free. He was promised the other as a preemption on the terms then inforce viz: $1.00 per acre.

This arrangement was made by William Pearce as Dominion Lands Agent here.

The late Thomas McKenzie and his brother Kenneth had both settled on lands in Grand Valley and made comsiderable improvements thereon with the intention of making that their home.

They had taken up a half section each. After Thomas's death the Mount Royal Ranch Co. attempted to procure a lease of the land taken by the McKenzies and of adjoining lands. The McKenzies resisted. Mr Pearce by way of settlement agreed with Thomas McKenzie's father and with David McDougall to whom the father as beneficiary of his son's estate had assigned all interest in this land to grant Mr. McDougall the North half of 4-33-5-W-5th as a homestead and preemption. This arrangement would no doubt have been carried to completion long before you came to office if the survey had been made. Unfortunately it was not. Mr. McDougall therefore not only considered himself secure in the Red Deer lands, but deemed himself the absolute owner of them. In pursuance of this belief he built upon the homestead a dwelling storehouse, stable and corrals; buildings which cost him over $1500. and broke and cropped portions of it. He sold this half section and adjoining lands purchased from the C & E Ry. Co. to the extent of 8100 acres last year, and the final payment on these lands falls due in August prox. The purchaser will be sure to make trouble of he does not get this half section, the most valuable of the lot, as it has the buildings and improvements and lies in the centre of the lands sold. Mr McDougall says that you promised him that if he procured the formal assignment of this half section from the Administrator or beneficiary of Thomas

McKenzie's Estate, the title to the land would be at once vested in him. This he did and when he had forwarded the papers to you he felt all would be plain sailing.

As to the lands given him at $1.00 per acre he says that he was entitled to over two section by virtue of the acreage of his leases and as yet he has only purchased one on the terms of the Government's offer -viz, at $1.00 per acre and is therefore entitled to purchase another.

S.-F.

Gentlemen,

re David McDougall -- Your file B.J.S.

Replying to your letter of the 4th instant, respecting North West Mounted Police Warrant No. 0379, issued to Constable Arthur Whitely, and which was purchased by Mr. McDougall, who has lost the transfer thereof, I am directed to inform you that in 1908, Mr. McDougall deposited the Warrant in question in the Dominion Lands Office at Calgary, in payment of a balance of $160.00 due on certain lands he had been permitted to purchase in Township 26, Range 7, West 5th veridian.

Mr. McDougall was advised that if he would file here satisfactory evidence of his ownership of the Warrant, the usual endorsation on the Warrant, or the filing of a formal assignment thereof, would be dispensed with.

No action would appear to have been taken by Mr. McDougall in this matter, as the balance due on the sale above referred to has not been paid, nor has the Warrant been received here.

It would seem, however, according to a letter sent to Mr. McDougall, from the office at Calgary, on the 3rd February last, that the Warrant was still in that

LAND PATENTS BRANCH,

Ref.No.40160-Old.

Original on File No.40160-Old. Ottawa 11th January, 1909

MEMORANDUM:

In 1908 Mr.David McDougall deposited in the office of the Agent of Dominion Lands at Calgary, as payment of a balance of $160.00 due on certain lands he had been permitted to purchase, North West Mounted Police Warrant No.0379, issued to Constable Arthur Whitely.

Mr.McDougall lost the transfer which he stated he obtained from Whitely, and was informed that if he would file in the Department satisfactory evidence of his ownership of the Warrant, the usual endorsation on the Warrant, or the filing of a formal assignment thereof, would be dispensed with.

The Warrant in question, accompanied by the Statutory Declaration of Mr.McDougall and of his wife Annie McDougall, setting forth the particulars as to Mr.McDougall's acquisition and ownership of the Warrant were recently received, and would, in my opinion, justify the Department in dispensing with the filing of a formal assignment, which Mr.McDougall in his Declaration states to have been lost, and another cannot now be obtained as it would appear that Mr.Whitely was killed in 1885.

I, therefore, beg to recommend that Mr. McDougall be allowed to apply the said Warrant No.0379 in payment of the balance of $160.00, due by him on the purchase of Section 24, Township 26, Range 7, West of the Fifth Meridian, or to locate on an available quarter section of Dominion Land open to homestead entry, in which latter case it will be necessary for him to at once pay the balance of $160.00 due on the above sale, with interest from the 28th May, 1908 to the date of the sale.

W.W.Cory, Esq.,C.M.G.,
Deputy Minister of the Interior.

Respectfully submitted,

Chief of Branch.

in which case, however, he will be necessary for him to at once pay the balance of $160.00 due on the sale above referred to, with interest at 5% per annum from the 30th May, 1908, the date of the sale, to the date of payment, say the 15th proximo, that is to say, $160.00 principal and $39.74 interest, in all $199.74.

Please ascertain from Mr. McDougall which course he proposes to adopt and advise the Department, pending the receipt of which the Warrant will be held here.

Gentlemen,

Your File R.Y.S.

In further reference to my letter of the 7th instant, respecting Messrs. McDougall & Whitely's scrip, I am directed to inform you that the evidence filed as to Mr. David McDougall's acquisition and ownership of North West Mounted Police Warrant No.6370, issued to Constable Arthur Whitely, has been accepted as sufficient by the Department, and the Warrant has been duly endorsed in favour of the said David McDougall who may now apply the same in payment of the balance of $160.00 due by him on Section 24, Township 9, Range 7, West of the Fifth Meridian, which he was allowed to purchase in 1908, in payment of which he deposited the Warrant in question, which the Agent of Dominion Lands at Calgary returned to him, as it could not at that time be accepted.

Should Mr. McDougall wish to assign the Warrant, or locate it on one quarter section of Dominion Lands now as homestead entry in the Provinces of Manitoba, Alberta or Saskatchewan, instead of applying it in payment of the balance due on Section 24, Township 20, Range 7, West of the Fifth Meridian, he may do so

COMMISSIONER
AND
Edmonton PATENT BRANCH.

April 06.

There are about 60 acres of timber on this quarter and I understand it is not on that account open for homesteading. Agent of a Timber Co. informs me it is his duty to report this as too heavily timbered for homesteading and as there is a doubt as to my holding the land I prefer to abandon and take another homestead.

I have not lived on the land nor have I any improvements thereon.

I have not received directly or indirectly nor have I any promise or expectation of receiving any consideration for giving up my claim to the land above described, and I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath by virtue of the Canada Evidence Act, 1893.

Declared before me at Edmonton this 10th day of May ~~April~~ A.D. 1906.

In the Matter of the South East quarter Homestead of Section 16

I, Charles Hunter
of Calgary Box 2081 Province of Alberta
do solemnly declare :—

That I made entry for the above-mentioned land as a Homestead
at the Dominion Lands Office at Calgary Alberta on
the 26th day of November 1913,
and I now ask to have said entry cancelled for the following reasons, namely :—

(Here state reasons.) (1) I am not in a position to stay with it, at present; also the Homestead Inspector Valuation is far to high. as the only improvment on it when I saw it, was half of mile of fencing for wich he values at $114.00 then is no shack or buildings upon it. no breaking done also. I valued them at 25.00 wich is quite enough

(Here state nature and extent of residence, and, if cultivation homestead, where performed.)

(Here describe the improvements and state value thereof—give area of breaking and cultivation each year.) (2) I have never entered upon the land not since, I saw it wich was in august of the same year

(Here state if intention is to immediately re-enter for other land.) (3) not for a while, say about 12 months

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Memorandum:

In your memorandum dated the 31st ultimo you asked for information respecting Lot No. 5 of the Morleyville Settlement. On the 15th of May last Mr. F. N. S. Eaton applied for a lease of the petroleum and natural gas rights under this lot and you reported that while the lot had been patented the mineral rights had been reserved to the Crown. The application for the petroleum and natural gas rights under the lot in question are, therefore, still under consideration.

In case a lease were issued in favour of the applicant, such lease would convey the petroleum and natural gas rights only, and would not convey any rights to the surface or to the other minerals. If you consider that the petroleum and natural gas rights under the lot in question are not the property of the Crown would you kindly advise this Branch on File No. 125,411.

MEMORANDUM:- Ottawa 14th September, 1914.

H.H.Rowatt,Esq.,
Controller,
Mining Lands Branch.

Re Lot No. 5,Morleyville Settlement,containing 325 acres.

With reference to your memorandum of the 12th instant, File 125411 M.L.&Y, I beg to request that no final action be taken with regard to the application which has been made for the petroleum and natural gas rights under the said lot until I further advise you.

A claim has recently been made that the patentee of this lot was entitled to the under-rights, as the same was occupied before 1887, and the matter is now being carefully considered.

The lot in question has been patented to Augusta Minerva Adams, as follows:-

160 acres as a homestead,
160 acres as a 2nd homestead,
325 acres by sale at $1.00 an acre.

Memorandum:-

H. H. Rowatt, Esq.,
Controller,
Mining Lands Branch.

Re. lots at Morleyville Settlement.

With reference to our conversation over the telephone, I beg to advise you that this Settlement comprises the following lots:- 1-A, 1, 2, 3, 4, 5, 5-A, 6, 7, 8 and 9.

I would be glad if you would let me know whether any leases have been granted for the under-rights in any of such lots.

As I have verbally told you some of the lots in question have been patented and the mines and minerals reserved to the Crown, but in some of these cases the claim is made that the mines and minerals should not have been reserved to the Crown as the lands were occupied prior to 1887.

Until the matter has been investigated I do not think any application for the under-rights in any of the lots above mentioned should be finally disposed of as all these lots would appear to have been occupied prior to 1887.

Controller.

in like manner.

I, therefore, beg to recommend that steps be taken to issue supplementary grants, to the persons entitled thereto, for the under-rights where the patents issued reserved the mines and minerals to the Crown, and that the Controller of the Mining Lands Branch be advised that the under-rights in any of the lots above mentioned are not at the disposal of the Department.

With respect to Lot 8 containing 1176 acres, I beg to point out that this lot was granted to the Methodist Church subject to the same being used for the purpose of an orphanage and training school for Indian children and for no other purpose or purposes whatsoever, except in case of the consent of the Superintendent General of Indian Affairs expressly given in writing, to the use thereof, or any portion thereof, for other purposes.

I find on File 6W74 a memorandum, dated 30th November, 1894, by the late Mr. Code've to the then Deputy Minister of the Interior (Mr. Burgess), asking whether the patent in this case should include both the surface and under-rights, and also whether the grant should be subject to the clause respecting irrigation rights. In reply the Deputy Minister stated that the grant should not be subject to either of the reservations mentioned. The patent was issued accordingly without reserving the mines and minerals to the Crown and without the usual proviso under the Irrigation Act.

I am in doubt, however, whether in view of the fact that the grant was made for a specific purpose it carried with it the under-rights, and, on this point, I beg to suggest that the advice of the Department of Justice be obtained.

Respectfully submitted,

Controller.

a homestead and the remainder of the lot at $1.00 an acre. As the area to be paid for by some of these squatters exceeded in certain cases 640 acres, an Order in Council was passed on the 12th June,1907, upon the recommendation of the then Minister (Mr. Oliver), giving him the necessary authority to carry out the decision above referred to.

Unpatented Lots.

Of the lots above mentioned,the following have not yet been patented :-

Lot 1A, Lot 1, part of lot 2 containing 63.10 acres and Lot 5.

Lots patented,surface and under-rights.

Part of Lot 2, Lot 3, Lot 4, and Lot 7,

Lots patented reserving mines & minerals to the Crown

Lot 5, Lot 6, and Lot 9.

In connection with applications recently made for petroleum and gas rights under some of the above mentioned lots, the question has arisen as to whether or not the mines and minerals should have been reserved in any of the cases above referred to, and,after having looked carefully into the matter, I am of the opinion that as the settlement of the squatters' claims to the said lots was concluded before the 31st October, 1887,the claimants are entitled to both the surface and the under-rights. It would appear that it was by oversight that the mines and minerals were reserved in the patents for some of the lots,as all these squatters were entitled to be dealt with

that a difference of opinion had arisen between the Government and a number of Homesteaders including Augusta Adams with reference to a claim by the Government for interest on balance of unpaid purchase moneys for Homesteads.

We are instructed that the Government ultimately waived its claim for interest and Augusta Adams completed her payments and obtained her Patent. If this dispute as to interest had not arisen it is clear that the Patent would have issued to Augusta Adams with no reservation of Minerals except precious metals; that being the custom of the Department in issuing Patents at the date when the Homestead duties had been completed.

It seems to us unreasonable that Augusta Adams and our client who claims under her should be prejudiced as a result of the delay above referred to which arose through no fault of theirs. Our point is this:--------

Prior to 1887 Augusta Adams had fulfilled all her Homestead duties and at that time the Government did not reserve the Mineral rights except those of precious metals. If the Patent had been actually issued to Augusta Adams at the time when she became entitled to it, the Patent would have reserved no minerals except precious metals. Our instructions are that the reservation of minerals generally in the Patent was overlooked by the

We wish to draw the attention of the Department to the following case which our client L. Q. Coleman of Morley, Alberta has put before us.

In the year 1881 Augusta M Adams settled on land in Alberta being Lot 5 Morleyville settlement Township 26 Range 6., West of the 5th meridian. She made a payment of $83.30 early in 1887 to one William Pearce Land Commissioner representing the Dominion Government on account of the purchase of the said land from the said Government. We enclose copy of letter from Pearce to Adams dated August 1887 acknowledging the payment and outlining what Augusta Adams must do in order to obtain a Patent of these lands.

Augusta Adams had performed all the Homestead duties except the payment of fees prior to the end of 1888. The reason why the payment was not made at that date was

Gentlemen,

With further reference to your letter of the 23rd September last, I beg to inform you that as Miss Augusta Minerva Adams, to whom letters patent were issued some years ago for Lot 5, in the Settlement of Morleyville, and in which the mines and minerals were reserved to the Crown, had acquired a right to the said lot prior to the 31st October, 1887, from which date the mines and minerals were reserved to the Crown in all grants of Dominion lands, such mines and minerals should not have been reserved in the letters patent above referred to, and as they are still vested in the Crown, it has been decided to issue supplementary letters patent to Miss Adams, or if she is dead, in the name of her personal representatives, upon letters of administration of her estate or letters probate of her last Will and testament, as the case may be, obtained from the proper Court being filed in this Department.

on file 131733, that the reservation of mines and minerals in the letters-patent which were issued was an oversight, for which the Department is responsible and which it should rectify. Recent papers on file 1195238 shew that action has been taken to rectify such oversight, by the issue of supplementary letters-patent, in this case, in favour of Lucius Quincy Coleman, devisee of Miss Adams, and it is certain that if there was now no other conflicting claim such a grant would issue forthwith in his favor.

It is stated in certain of the papers on file that Miss Adams was not eligible for a homestead entry, but I consider it is altogether too late now to raise that question. It must be borne in mind that many claims of squatters upon lands were settled years ago, not quite in accordance with all the provisions of the then Dominion Lands Act.

The only question therefore which has to be considered now is whether Mr. F.N.Eaton's application for a lease of the petroleum and natural gas rights in Lot 5 and the action of the Department with regard to that application warrant this Department in not granting to Mr. Coleman, as Miss Adams' devisee, what the Department has repeatedly decided she was entitled to and what he, as her devisee, is, therefore, legally entitled to.

At first reading I was inclined to think that both Miss Adams and Mr. Coleman "had slept on their rights" and that the legal rule as to laches might apply here, but upon careful perusal and consideration of the papers I consider that the Department is nearly altogether resporsible for the delay - delay which I think could not be altogether avoided.

In my opinion no further delay should take place in granting to Mr. Coleman what he is entitled to - as the devisee of Mrs. Adams.

What action, if any, should be taken by this Department, because the petroleum and gas rights are not available for lease to Mr. Eaton is another question. From a strictly legal standpoint I regret to say that I do not consider that he has any legal claim for redress, as against the Crown.

Memorandum :- 1195238 -

Mr. Mitchell :

I return, herewith, the three files you sent to me yesterday afternoon, numbers 1195238 131733 and 125411 MLRy.

I have carefully considered every paper on these files, or either of them, relating to Lot No.5, in the Morleyville Settlement, or to the claims of squatters generally to lots in such settlement, and I find nothing to warrant interference with the decisions, in so far as Lot 5 is concerned, of former Ministers and officials of this Department, as well as of those who are yet connected with it - decisions which may be said to be based upon the investigation and report of Mr. William Pearce upon claims of squatters or lands in the above named settlement.

In the case in question, Lot No. 5, was taken possession of by Miss Augusta M.Adams, in 1881. She erected a residence upon it during "the fall of 1881, Sept. 1882." At all events she had been residing upon this lot for about five years before the 31st October, 1887, the date of the Order in Council reserving to the Crown, all mines and minerals which exist within, upon or under all lands West of the Third Meridian, with power to work the same.

Prior to that date the person who was entitled to letters-patent for any lands in the then Territories was entitled to the mines and minerals - the "under rights "- as well as the surface.

The claimant for Lot No. 5, first referred to as "Mrs" Adams but afterwards, and correctly as "Miss" Adams, was dealt with in the same way that as other squatters were dealt with, and it was, therefore, decided that 160 acres of lot number 5 should be granted to her as a homestead, and that the balance of the Lot could be sold to her at $1.00 an acre. Subsequnetly it was decided that she was entitled to a second homestead.

The delay in issuing letters-patent promptly for these Lots after Mr. Pearce's report was considered was mainly due apparently to the application of and pressure by the squatters to be granted in each instance the whole lot as a home - stead. Had the letters-patent been issued promptly there is no question but that they would not have contained any reservation of mines and minerals to the Crown, and I agree with the statement in Mr. N.O.Cote's memorandum of the 17th September last,

Morley Alba. July 27th/86.

Minutes of meeting of Settlers at Morley in River Cl[illegible] held to consider propositions in letter from Mr. Pearce Esq. Superintendent of Crown Lands.

Rev. J. McDougall was chosen Chairman Mr. Lucius O. Colman, Secretary.

The following were present and represented [illegible] all who were interested.

Rev. J. McDougall	$15.00
Mr. Graham	193.13
" Sibbald	85.00
" D.McDougall	411.00
" [illegible] Brier	181.00
" L.O.Coleman	
Miss [illegible]	
Mrs O.McDougall	
" Boyd.	

Moved by Mr. Sibbald, seconded by Mr. D.McDougall and carried, that as a body of Settlers we deal directly with the Government and not with any private individual. Moved by Mr. L.O. Coleman seconded by Mr. Graham and carried.

That we accept the offer of the Government as to raising $ 1147.00 according to the proportion contained in the letter

leave the decision of this amount among the people
themselves, to themselves.

Mr. White states he will [illegible] portion of the
amount by the 5th Sept. next and the balance in prob-
ably a month later, & that he is willing to accept
notes for the same.

Please telegraph me you, on behalf of the
Morley settlers, accept this proposition, it is one I
think, cannot be demurred at by any of them.

I trust this is [illegible] ending of what at
one time, promised to be a most serious [illegible].

If my responsible party will come to re-
move the material and re-erect it for a less amount, I
have no doubt Mr. White will gladly accept [illegible] and
thereby reduce the amount required to be paid him.

I have the honor to be,

Sir,

Your obedient servant,

a/d. H. Pearce

Sec't.

The Government will grant you, that is, the Morley settlers, a lease on ordinary conditions of 1 cent per ac 5100 acres, which is outside of the settlement belt out of the 6500 acres within the settlement belt, there are probably seven settlers who are eligible to make home stead, consequently entitled to 160 acres free, leav in round numbers, 5400 acres which may be sold them. minimum price at which it can be sold is $1.00 per acr money is worth at least 6% therefore if leased to you at 6 cents per acre is as cheap as purchasing and st lowest price the Government would, under all the circu stances, be justified.

The difference between 6cts.& 1 f - 5 cts. on 5400 equals $270 per annum.

1667- $270, which is the rent, value to the settlers are willing to pay, leave $1437 1437÷ 270 = 5.33 that is 5 years and 4 months rental.

Therefore if you, on behalf of the Morley settlers will advance that amount this affair can be closed at once, the Minister authorizes me to that effect and further that the land will be sold you at the expiration of 5 1/3 years at $1.00 per acre and as soon as anyone, who is entitled to Homestead patent by reason of 3 years residence thereon, pays for balance of claim above the free 160 acres, or anyone not eligible as Homesteaders pay for their lots at that price, the said area will be deducted and a correct amount substracted from rental.

Under this scheme this trouble is settled no outlay on behalf of the Government is required and no injustice is done any of the Morley settlers. It is advisable to.

...t July 1915.

My dear Sir,

Mr. White was here this forenoon and had a conference with the Minister the result was that he agrees to relinquish all claim to the North side of the river and moves all his buildings and sheep. The latter will be moved at once this preventing any further trouble between between him and the Morley settlers as that scar he furnished a tender from Messrs. McMillan McDonald for said removal, stating he was asked several persons to tender, but it was the only one received. The amount for removing the building material and their re-erection in as good condition as at present, as I seen at the for removal o... day, crossing them to new range is placed at $20.00. The acre rent to be paid to Corrane will be $317.00 total $1437.10.

He paid on back rent to McDonald $[illegible] that amount you stated the settlers would willingly pay. That leaves $1437.10 to be raised for payment for White.

The way this is to be raised has been suggested as follows:-

The total area of his lease is 12[illegible] acres, that portion within the Morley settlement exclusive of the McDougall orphanage claim about 6500 acres, outside of settlement (This about 51[illegible] acres. (You will observe the McDougall orphanage is not counted)

Rev. John McDougall

Morley.

Before closing this memorandum I must draw attention to the statement in Mr. N.O.Coté's letter of the 3rd November last to Mr.Coleman's Solicitors, Messrs Bennet, Stuart & Spence, that it has been decided to issue supplementary letters-patent for the mines and minerals to Miss Adams or if dead, to her per personal representative, upon letters of administration or of estate or letters probate of her last will and testament being filed with it. A certified copy of the letters probate has been filed.

Under all the circumstances it appears to me that this is a case for settlement between the parties, and that a settlement upon the following terms might be arrived at :- That Supplementary letters-patent be issued in favour of Mr.Coleman for the mines and minerals under the total area of 160 acres of the homestead and a quarter section of 160 acres in all 320 acres, and that a lease for the oil and petroleum under the remainder of the Lot be issued to Mr.Eaton or those claiming from him. My reason for specifying a supplementary grant of the mines and minerals under the further area of 160 acres is that the payment of $160.00 is acknowledged by Mr.Pearce to have been made to him by Miss Coleman Adams, if his letter of August, 1907.

If this settlement or some other amicable settlement cannot be reached between the parties then I recommend that no action be taken except upon advice of the Deputy Minister of Justice, until the legal rights of the parties have been settled in the Courts. I think Mr .Eatons solicitor should therefore, be shewn this memorandum at once.

Adams was permitted to make a homestead entry as ... he was not eligible, I should have stated ... it is drawn the fact of Mr. Eaton - ... claim- ... a lease of the (if any) under ... land ... ation, or of any one claiming from him so do.

The next point I have further consid- ... ered is that Miss Adams, because of the question as ... her eligibility to make a homestead entry, did not ... and file ... of Mr. Pearce's assigned ... settlement, before ... Re issue of supplementary patent for minerals in Lot 5, Morleyville Settlement.

I beg to return Ref. 15954 and File 131733 old.

In view of the advice now given by the Deputy Minister of Justice and of the statement made in the copy of the letter attached hereto of the 28th ultimo from Mr. R. B. Bennett, I see no reason why the issue of the patent, which was stayed sometime ago pending the result of the reference of the case to the Department of Justice, should not now be proceeded with.

I, therefore, beg to recommend that Mr. Newcombe's letter of the 28th ultimo (Ref. 15954) be made official, and that letters patent for the minerals, other than gold and silver, in Lot 5, Morleyville Settlement, be issued forthwith as originally intended.

As you are probably aware, the question involved in this matter was referred to the Department of Justice under the Minister's instructions.

Respectfully submitted,

My dear Mr. Newcombe,-

Referring to your letter of the 14th instant regarding the interview Mr. McGillivray and I had with you in March last, I have to advise you that this matter is settled and I was under the impression that Mr. McGillivray had written you and indicated that fact.

Thanking you for your attention and regretting that you were not previously advised.

the present so that he could confer with the solicitors representing the Adams estate and see if some satisfactory arrangement might not be made. He said that it was very uncertain whether the mineral rights were valuable; that he was willing to forgo any claim as to the 160 acres and that any development or minerals on the adjoining property would accrue to the benefit of this 160 acres and he thought perhaps that in consideration of this equitable adjustment might be made. I thought it only reasonable that he should have time to confer with the solicitors representing the Adams estate and promised to retain the papers in the meantime. Not having heard from him I recently called his attention to the matter and I now

I suggest therefore that your Department should write Mr. MacGillivray or Mr. Bennett who are acting for Mr. Eaton, with a view to ascertaining what the nature of the settlement referred to was. In the meantime I return the papers.

held to include the lands sold to Miss Adams; that apparently it cannot be successfully contended that it was agreed upon the issue of the patent in 1912 that the minerals should be reserved, inasmuch as in 1914 the representatives of Miss Adams had claimed the minerals and were informed by the Department in effect that they were entitled to them and that a supplementary patent would issue therefor, and therefore it would seem that nothing is lacking to entitle the Adams estate to maintain proceedings for a declaration that they have a right to a grant of the minerals.

On the other hand Mr. Bennett said that Mr. Eaton had proceeded in good faith upon the record that the minerals were in the Crown; had complied with all preliminaries, put in his application and had actually received a letter from the Department stating that his application was accepted, and that a lease would issue, before the Adams estate ever applied for the minerals at all or even had thought that they were entitled to them. Therefore he considered that there was something like an estoppel against the Adams estate and said moreover that the whole transaction and the granting of the letters patent to Miss Adams was irregular and improvident and could not upon investigation be justified.

I suggested that proceedings might be taken by the Crown to interplead these parties so that they might contest the questions involved as among themselves, but he said this would produce delay and that in the meantime Mr. Eaton's bondsmen would be compelled to pay $24,000.00 which under the bond is he stated a liquidated amount. Finally he asked that the matter be allowed to stand for

Dear Mr. Cory,-

I beg to acknowledge the receipt of your letter of the 24th of March last asking to be advised in regard to the mineral rights under lot five of the Morleyville settlement and whether they belong to the Crown and if the Department has the power to issue a lease to Mr. F.H.S. Eaton who has applied for the same.

In reply I may state that Mr. Bennett, M.P., who has been acting for the applicant, had an interview with me in respect of this application and I explained to him that the Government having made this settlement in 1885, having issued the homestead patent to Miss Adams in 1907, and having issued to her a patent for the remainder of the area in 1912 at $1.00 per acre, an action that can only be justified in reference to the arrangement of 1885, it is too late for the Government to raise the contention that the 1885 settlement was not accepted, or that it was subsequently abandoned by Miss Adams; that with reference to the reservation of the minerals I told him that the Order-in-Council of 31st October, 1887, provided for the reservation of the minerals except in respect of patents for land which had already been sold or disposed of for valuable considerations and that this exception may be held

Memorandum:-

In reply to your memorandum of the 12th instant addressed to Mr. Rowatt, which has been referred to me, I beg to say that the Justice Department some time ago decided that the Adams's Estate was entitled to the mines and minerals in Lot 5, Morleyville Settlement, and Mr. A. F. May, Barrister, of this City, was advised on the 9th October last that, if Mr. Eaton, his client, had now acquired all the interests of the Adams' Estate in the said Lot, it had been decided to give him a reasonable time within which to file evidence of that fact before the Department would proceed with the issue of the patent in the name of Lucius Quincy Coleman, in his capacity of personal representative of the late Augusta Minerva Adams, for the minerals in the Lot in question.

No further action was taken in this matter, except that Mr. May in reply to a letter addressed to him on the 21st December last, requesting him to advise the Department of the present position of the matter, stated in his letter of the 22rd idem, that he had again written to his principals in Calgary, and requested that the matter be kept open until he had an opportunity of hearing from them.

Sir,

In January 1915 I received a copy of a letter, dated 8th Jan. 1915, from you to Fulton, Starr & Lance of Toronto stating that the preparation of supplementary Letters Patent for the mines and minerals other than gold and silver on Lot [illegible] was proceeded with in accordance with the instructions received from the Registrar at Calgary &c

I have never had any advice from the Registrar at Calgary in regard to it but I gave my attention to the purchase of other rights I had to the petroleum and natural gas rights in the land above described.

Was the supplementary Letters Patent sent to the Registrar and if so can I not secure it?

The purchaser now tells me that the Government is waiting these papers signed. It is [illegible]

The Minister of the Interior, under date 19th. January, 1912, reports that Mrs. Heffernan obtained Homestead Entry for the South West quarter of Section 2, Township 38, Range 12, West of the 4th Meridian, on the 30th October, 1907, and that she secured such entry owing to the fact that she claimed to be a widow with minor children of her own dependent upon her for support. However, it now appears from the report of a Homestead Inspector that Mrs. Heffernan was separated from her husband about 12 years ago and that since 1907, her husband has paid her $25. a month. As Mrs. Heffernan has been receiving support from her husband she is not properly entitled to a homestead entry in her own name. Mrs. Heffernan has completed the requisite settlement duties called for by the Act, and in view of this fact she would appear to be entitled to some consideration.

The Minister, therefore, recommends that the quarter Section above mentioned be sold to Mrs. Heffern at the rate of $1.00 per acre, under the provision of Dominion Lands Act, Paragraph I, Section 76, Chapter 7-8 Edward VII, and that on her completing the requ payment that patent for the land forthwith issue i favour.

The Minister of the Interior submits under date 7th. March, 1909, that Mr. David C. Glass has made application for homestead entry for that portion of the N. E. ¼ of Section 4, Township 27, Range 17, West of the 4th. Meridian, lying North of the Red Deer River.

The evidence shows that Mr. Glass lived on this land for over six months in each year from the spring of 1904, to the spring of 1907, and made valuable improvements.

Published in the Canada Gazette Vol. No. of for the fourth consecutive week

Mr. Glass was afterwards obliged to leave on account of ill health and has returned to Great Britain, where it is understood he is suffering from tuberculosis.

At the time of his departure the land in question had not been fully surveyed, so that it was not then possible for him to obtain entry as a squatter before survey.

The Dominion Lands Act of 1908, provides as follows:- (Sub-section 4 of Section 11),

"Every application for entry shall be made by the ap-
"plicant in person, unless otherwise provided by regula-
"tions made by the Governor in Council."

The Minister recommends, - in view of the statements contained in the annexed copy of a certificate from Dr. J. Huskill of Edinburgh, - that authority be given to enable Mr. P. McNeill of Calgary, to make homestead entry for, and on behalf of Mr. Glass, the latter having made requisition to that effect on the proper form.
